April 28th, 1935.

To Supt. Lilead District School Board.
of Prof. Emerick.

The undersigned being patrons of the Purcellville School, and citizens of the community, request that authority to respect the application of Mrs. C. M. Norton to the Principalship in our school for 1935-1936. Should it be tenured, Mrs. Norton's high moral standing, her educational ability, and the great interest she has taken in the community, justifies us in asking you this favor.
