TO BUS DRIVERS:

In order to be able to study school bus problems more accurately, it is very important that we have a copy of your schedule at this time. Forms are enclosed. Only one copy is needed. Send to me before school is out.

Show 8th grade pupils as high school.

Be sure to show each stop separately. If the distance between stops is less than one-tenth mile, please show approximate distance in yards by special note on form.

Very sincerely yours,

*O. L. Emerick*

Mrs. Ruth D. Schulke  
Parcellville

Dear Mrs. Schulke:

We find that Mr. Edward Weadon has nine elementary children, belonging on the Wheatland end of his route, whom he is now hauling on the Silcott Springs route, and a very crowded condition exists.

I do not see that we can do otherwise than to leave these children at your school until he comes back from his first trip in the afternoon and I hope it will not cause any serious difficulty for you to have some teacher on duty with them until he returns in the afternoon.

Very sincerely yours,

O. L. Emerick  
Division Superintendent

Mr. A. J. Elgin, Jr.  
Leesburg  
Virginia

Dear Mr. Elgin:

Your school bus schedule shows 43 elementary pupils picked up on your second trip and 19 unloaded at Mt. Gap and 43 at Leesburg.

Please check this information and come in the office and correct this for us. It does not seem likely that you unload 19 pupils at Mt. Gap School.

Very sincerely yours,

O. L. Emerick  
Division Superintendent

MEMO: For Driver of Buses No. 2,  
15 and 38

The Clark's Gap and Paeonian Springs areas present a districting problem in view of the fact three busses pass the same point at Clark's Gap on route 7, and our school board has ruled that pupils living west of route 9 at its junction with 668 should use the bus No. 2 and go to Hamilton and Lincoln, while those east of route 9 are expected to use bus number 15 and go to Leesburg School.

The addition of bus 38 in this area has complicated the problem a little. Families of children who attended Waterford Elementary School last year from Paeonian Springs may attend there again this year or go to Hamilton. No new families from Paeonian Springs can attend Waterford unless they get special permission. Pupils who live on Dry Mill Road near route 7 who find it more convenient to ride bus number 38 would reasonably be permitted to use this bus and attend Leesburg School.

Very sincerely yours,

O. L. Emerick  
Division Superintendent
