communist and we are not

going to let the negroes come
to our schools Mr Emrick
~~do~~ Please dont you all sit
bye and let them 3 or 4 men in
Richmond and about 6 of the
Congress men in DC be Kings

and grandchildren. Let the negroes
come in sitting by them in school
and disgrace them. You all have
power as well as them few
Congressman have if all of
them wants to love and honey

up. Please tell them to get their
a negro woman or man
and live with them for they
are not as good as a negro
if they want to stick them in
our school with our little
white girls tell the men ~~to~~

that wants negroes to go live
with their negro women and
men and let our Virginia people
alone. for D.C. ~~is~~ Lunch rooms
and theaters are not Respectful
for our Virginia people to go to.

sticking them all in one school
our children get better education
in the small school than
what they are doing now
we were visiting the
Forest Ville School in
October and that school has
not got room they are crowded
with white children they is
no room for a negro in it
We were talking with some
Calardoy at least some negro
Wimen in Clarendon

and they all said that they were satisfied with their way of living and their schools and churches and they do not want to make no changes these negro wimen said that it is not them that wants to go in the white schools they said it ~~is~~ is the common white men that is doing all this dirty work getting all the people stirred up and worried they said that D.C. Congress and in Richmond is just making Hell here on earth will not let our people live right and peacefull we do not see ~~not~~ us to vote just all our good men if we have any in Loudoun County

for no one in D C is not doing
nothing for us and how they
have ruined ~~the~~ their beautif

negro town. so please if
all of you have any respect
for your little girls and boys

with our children, so

your state Superintendents and

and tell them if they love
their negros for them and
their children get them selves
a negro woman or man and
live with them to their heart
content but leave our
schools out of it for we have
love and respect for our little
girls and boys not to mix
them with negros, tell
those men to get their selves
a negro woman a hiss and love
her. see how juicy her kisses
will be. Yours Truly
