Dear

Virginia

Dear Sir:

Referring to your letter of January 15 addressed to the Board of Education, Richmond, Virginia, concerning a school bus for the children in your community, I am glad that the providing of both school buildings and transportation facilities are matters under the jurisdiction of local school authorities. I am, therefore, suggesting that you direct such complaints as you may have to your Division Superintendent of Schools or county school board and I feel very sure that they will do whatever they can to comply with justifiable requests.

No discrimination is made in this on account of color.

Very truly yours,  
F. F. Jenkins, Director  
Administration and Finance

Enclosed is the letter from Mr. C. T. Dean.

Very sincerely yours,
