Supt. O. L. Emerick
Furcellville, Virginia

My dear Sir:

When I got back to Richmond the other day from your section there was no snow but it snowed all day Saturday for a change but I am glad to say it has practically disappeared by this time. It took us more than two hours to get into Washington that morning from your town but I managed to catch the one o'clock bus for Richmond. I need not tell you that I had a most delightful stay in your division and am certainly grateful to you for your great kindness. I am sending you herewith three of the pictures which I took on our rounds.

With very best wishes, I am

Cordially yours
