* We are still in the process of combining 4 libraries into one new one.

- List below anything that you have done in your library which you think might be helpful to other librarians.

- In what way can the State Supervisor of School Libraries help you with your library problems either now or in the future?

Many publishers cancel shorts instead of using the substitute titles we include with orders. Much time and energy is wasted in reordering. Indexed publishers lists would be of help.

- Describe briefly how pupils are instructed in using the library:
