Mr. F. Lake VanSickler
Purcellville
Virginia

Dear Mr. VanSickler:

In connection with moving the 7th grade to the Round Hill School from Bluemont next year and our reduction of the number of teachers at Bluemont from 3 to 2, several patrons came to the School Board meeting on May 13th about the problem.

They stated that several pupils who attend the elementary grades at Round Hill ride pass the Bluemont School. I should appreciate it if you would check the load on bus number 25 for this and let me have the names of any children (and their parents) who might be doing as they have stated.

Very sincerely yours,

O. L. Emerick
Division Superintendent
