County School Board of Loudoun Co.

Gentlemen,

We the Patrons of Lovettsville School petition your Board, That the buss route which you recently established from Lovettsville to Taylorstown section, be so arranged to come as far as the cross roads, at the end of the hard surface road, running from Lovettsville to Heartland

1st; As tax payers of the County, we believe this can be done, "or should be done" with very little additional cost, "if any" judging from the salary paid other men for similar work.

2nd; under the present set up, we feel we are forced to bear more than our share of the expenses, "1st", by helping to pay to operate a Buss which we receive from, 2nd, by paying the transportation of our own children to school, Thus we beg of the County School Board, to give our children, the same rights, same privilege, and the same opportunity, granted some many other children in the County
