Mt. Gilead, Va.
December 5, 1950.

TO: The School Board of Loudoun County.

We, the undersigned residents of the Mt. Gilead District of Loudoun County, respectfully request that school bus service be extended from its present end on Route 662 at the gate of the Loudoun Orchards, along Route 662 to its junction with Route 728, thence along Route 728 to the Joseph Y. Bailey farm, a distance of approximately $2\frac{1}{2}$ miles from the Loudoun Orchards gate.

At the present time there are four children who would be served by this extension, and whose parents now transport them to school. By September 1951 two additional children in the area will become of school age, making six in all. As there are two homes being built along this route it is possible that the number may be greater.
