NEWS

Plans have been worked out for the operation of a school bus starting at Purcellville and going by way of Leesburg and Gilbert's gas stations to accommodate students from Loudoun County who will attend the vocational school at Manassas.

The bus will leave Purcellville at 7:00 A. M. on June 15, 1944. It will be driven by Harry Hall.

This vocational course is free to boys and girls 16 years of age or over. Courses in electricity, machine shop, radio, welding, drafting and other vocational training will be offered for 10 weeks.

All expense of the course is being borne by Federal funds.
