To Principals:

Please prepare a map showing the location of all high school children in your Area. USE a circle O, to show residence of each child. Show pupil riding in bus by-O , the straight line showing the direction the pupil goes from home to take bus. A pupil attending another high school in county but who is in your area is to be shown by  $\ominus$ -, A pupil belonging in your area and attending a high school out of the county is to be shown  $\oplus$   $\oplus$   
IA towns show total number of pupils by a large circle, thus (25)

Very sincerely yours,

*O. L. Emerick*  
Division Superintendent
