R. F. D.
Waterford, Virginia

Dear Mrs. Gaskins:

I have your letter in reference to the bus route, but I do not believe we can make any change in it at this time, as the bus has such a long distance to run on its entire route.

We don't expect children to be sent to school when they are ill, but you should send your children when they are well.

Very sincerely yours,

O. L. Emerick
Division Superintendent
