Mr. O. L. Emerick,
Leesburg, Virginia.

Dear Mr. Emerick:

I have checked the load on bus # 25, and I find that the following children attend Round Hill School: Wayne Wynkoop, grade 7, whose father is Lee Wynkoop of Round Hill, Virginia, and Norman Smith, grade 6, and Frances Smith, grade 3, whose mother is Mrs. Jack Barber, of Bluemont, Virginia.

Wayne attended Round Hill School when his parents lived on the old Lodge place (now under Jim Kelley) between Round Hill and Bluemont. When his parents moved from there to Otto Kelley's farm at Yellow School House, they wished Wayne to continue at Round Hill School as his sister Jean was in the 8th grade that year. He has been attending this school every year since and will be in the 8th grade next year.

The Smith children lived in Round Hill with their mother, then Mrs. Eva Smith, until about ten days ago when she married Jack Barber and moved to Bluemont. She requested permission for them to finish the school year here which was granted in accordance with the policy of the School Board.

Therefore, Wayne is the only child who should have been in the Bluemont School the past few years.

Very truly yours,
