 (b) In reporting the number of pupils enrolled, the Superintendent must not forget to make due allowance for pupils who attended more than one public school during the school year, so that they may not be counted twice.
 (c) Do not report fractions in these columns. If the fraction exceeds .5 enter next higher integer. Report here total number of pupils in all schools, elementary, high, day, evening, vocational, special, etc. See Table No. 3—Part 6, for reporting certain items concerning evening and special classes or departments.
