Mr. O.L. Emerick, Division Superintendent  
Loudoun County Schools  
Leesburg, Virginia

Dear Mr. Emerick:

During the fall of 1953, I visited the following schools in Loudoun County one or more times about the children listed below. If the word "open" has been written after the name of the school, this means I am still working with the case.

Del Gallo, Cinlio	Lovettsville	Closed ✓
Fewell, Billy	Hamilton	Open ✓
Kelley, Donald	Lovettsville	Open ✓
Keher, David	Ashburn	Closed ✓
Lickey, Mildred	Lincoln Elementary Sch.	Closed ✓
Payne, Nancy Ellen	Round Hill	Open ✓
Randall, Jessie	Leesburg	Closed ✓
Santymyer, James	Lincoln High School	Open ✓
Williams, Jimmie	Aldie	Open ✓

This list does not include any of the 64 children who were studied by the first grade teachers participating in the 1953 fall program. Many of these children were discussed with me during the workshop sessions and during individual visits with teachers. However, no individual records were kept concerning these contacts.

Sincerely yours,

H.W. Jaques, PhD.,
