TO SCHOOL BOARD MEMBERS
AND
PRINCIPALS:

On December 27, 1951 at 2 p.m. at the school board office, I am having a conference with such people as desire to come in reference to the school budget for next year.

This is only preliminary work on the budget and nothing will be decided finally in reference to it at that time.

It is my wish to have the opinions of individual school board members, of principals and of any other persons who might desire to come. I suggest to the principals that it would be in order to invite the president of your P.T.A. or any other patron or worker at your school.

The budget will be completed by me at another date and submitted to the school board for their consideration and revision.

Very sincerely yours,

O. L. Emerick

O. L. Emerick
