

PUBLIC HEARING ON SALES TAX

Recd Sch. Bd*

Your Virginia School Boards Association has formerly endorsed the principle of a Sales Tax for Virginia. The General Assembly now has a state sales tax under consideration.

A hearing on this subject will be held Wednesday, February 15, in Richmond. It will begin at 3:00 P. M. in Room 20 or in the House of Delegates in the Capitol Building. The VSBA has been assigned 20 minutes at this hearing.

At its October Convention the Association went on record for a state sales tax, the major portion of which would be earmarked for educational purposes. This hearing will provide us with the opportunity of expressing our views before the concerned members of the Legislature. Your Association would like to have at least one member present from each school board in the state.
