

..... Loudoun COUNTY.

ANNUAL REPORT of the Superintendent of Schools for the year closing July 31, 1901.

The Superintendent will answer briefly the following questions:

1st. Date of Annual Meeting of County or City School Board for reviewing the work of 1900-1901.

Ans. August 12th

2nd. Were the accounts of Treasurer laid before the County or City Board at this meeting and duly examined?

Ans. They had previously been examined by the Co. Supt. aided by the Dist. clerks and the results were reported to the County Board

Was their condition satisfactory?

Ans. Yes, entirely so.

3rd. Were the Records of the District Boards all laid before the County Board and duly acted on according to law?

Ans. They were examined by the Co Supt and results were reported to County Board

What was their condition as to accuracy and neatness?

Ans. All accurate as to financial records. Some of them not satisfactory as to other business

4th. Were the Accounts of District Boards compared with those of County Treasurer by the County Board, as required by law?

Ans. Yes, through the Co. Supt and Dist. clerks under order of the Co. Board

What was the result?

Ans. Satisfactory in all respects.

5th. Was the annual settlement made with the County Treasurer by the County Board, as required by law?

Ans. By order of the County Board the settlements were made by the Co Supt and Dist clerks, who were assisted by a commissioner of accounts.

Was this settlement satisfactory?

Ans. Yes, the work was done with great care and it was satisfactory in all respects.

6th. Report any irregularities which may have been discovered in the proceedings of any Board, or in the acts of any officer, together with such action as was taken by the County Board in regard thereto.

Ans. No irregularities were discovered. The Board did not find it necessary to adjust any difficulties or correct any abuses.

7th. Do your District Boards hold regular meetings, and how often?

Ans. They do not. Meetings are called when business requires attention

8th. Were all your teachers supplied with the Teacher's Register for Virginia Public Schools, and were these Registers all returned at the close of the session to the District Clerk, as required by law?

Ans. All were supplied. Clerks report 123 returned

I certify that the above report is correct.

Be sure to fill the table on the back of this form, and see that correct totals are brought from the back to the face of the report—(Whole Number Enrolled, Average Monthly Enrollment, and Average Daily Attendance.)

EXPLANATIONS.—Table No. 1.—(a) In reporting the number of pupils enrolled, the average monthly enrollment, and the average daily attendance, the Superintendent must not forget to make due allowance for pupils who attended more than one public school during the school year, so that they may not be counted twice. (b) Found by multiplying the number of white (or colored) pupils enrolled by 100, and dividing the product by the white (or colored) school population. (c) Found by multiplying the average attendance of white (or colored) pupils by 100, and dividing the product by the white (or colored) school population. (d) Found

by multiplying the daily average attendance of white (or colored) pupils by 100, and dividing the product by the average monthly enrollment of white (or colored) pupils. (e) Found by dividing the total average monthly enrollment by the number of teachers. (f) Found by dividing the sum of the ages of all the pupils by the number of pupils.

EXPLANATIONS.—Table No. 2.—(a) Counting each grade of one teacher in a graded school as one school. (b) Found by dividing the whole number of days during which all the schools continued in session by the whole number of schools. (c) Found by dividing the whole number of months during which all the schools continued in session by the number of schools—here, as before, counting each grade of one teacher in a graded school as one school. (d) All the teachers and assistant teachers should be reported; where one teacher ceases to teach before the expiration of the term and is succeeded by another, report only one

teacher; where a female succeeds a male, or vice versa, or colored teacher succeeds a white, or vice versa, the sex and color of the teacher reported should be those of the teacher longest employed. (e) Do not report white teachers of colored schools under this head. (f) Found by dividing the whole amount paid and to be paid male teachers for services rendered during the year by the whole number of months taught by male teachers. Find average monthly salary of females in the same manner.

*Do not report fractions in this column. †Carry out two decimal places in case of fractions.

I certify that the above report is correct.

EXPLANATIONS—TABLE No. 7.—(a) Do not include under this head the amounts for Cities and Towns constituting separate Districts, but only the amounts acted upon by the County School Board and Supervisors. (b) Found by dividing the number of cents levied for all the Districts by the number of Districts. (c) State in this column the amount asked for, and not rate of tax levied. (d) These amounts should be the same as those reported in column 1 of Table 6. (e) In estimating this balance, it will be proper to deduct from the amount of such funds to the credit of any District the amount due teachers by said District.

*In answering these questions, consider only money actually paid or received formally through the County Treasurer.

Be sure to report under every head in this blank.

GENERAL DIRECTIONS.

1. Mark name of any colored teacher with an asterisk.
2. Write name of teacher, principal, or president, so that the sex can be distinguished.
3. In the fourth column, "White or Colored" refers to the pupils; put W for white and C for colored.
4. In the column headed "Grade," let C denote college; H, high school; P, primary school, and S, special school. If special, mention on the back of the form what kind—whether theological, medical, law, agricultural, polytechnic, &c. Special schools will not be put down as such unless they are independent schools—that is, unconnected with a college or university.
5. Where the teacher is appointed by a board of trustees, the school may be considered as incorporated, otherwise as private.
6. Let I denote incorporated, and P private, in column 6.
7. Do not report any school with an enrollment of less than ten pupils.

I certify that the above is correct.

September 17th, 1901.
