NOTE—If tables 4 and 5 have been correctly filled, the total in Table 4 will just equal the Grand Total in Table 5. REMARKS—Of course, the sum paid to, or received from other counties will not be counted twice by the State Department in making up the aggregate for the State. In filling out Tables 4 and 5, the Superintendent will have to obtain his figures chiefly from the books of the treasurer, but must see that the and treasurers' reports tally in all respects with each other and with his own report.

Be careful not to include in this Table the amount of liabilities for, or money paid on account of previous years, or sum expended on real estate, apparatus, furniture, or any item that does not properly come under the head of Current Expenses.

Be sure to report under every head in this form.
