NOTES— If Tables 1 and 2 have been correctly filled, the Totals in Table 1 Column 11 will equal the Totals in Table 2, Column 14. The amounts in Column 8 of this Table and Column 63 of Table 3 must also agree. Report the expenditures of County School Funds not apportioned among, or belonging solely to, the respective districts, if any, in a line devoted to that purpose and headed "Unapportioned Funds."

(a) Under the head of Amount Paid Out, report amount actually paid out (not amount of warrants issued) during the year, whether for current or preceding year.

(b) Under this head report only regular pay of clerks. Do not include cost of stationery, compensation for taking census, etc.

(c) Under the head of Balances on Hand, report all moneys on hand at end of school year, whether chargeable for expenses incurred up to that time or not.

The Superintendent must see that the clerk's and treasurer's report tally in all respects with each other and with his own report. The warrants actually paid by the treasurer and not warrants issued, must be taken as the basis in all cases.

Have you read the foregoing notes carefully? yes

NOTES:
 (a) The word "Schools" here means Schoolrooms.
 (b) In reporting the number of pupils enrolled, the Superintendent must not forget to make due allowance for pupils who attended more than one public school during the school year, so that they may not be counted twice.
 (c) Do not report fractions in these columns. If the fraction exceeds .5 enter next higher integer. Report here total number of pupils in all schools, elementary, high, day, evening, vocational, special.
 See special tables for evening and special schools.

NOTES:-(a) The totals in Column 27 should equal the totals in Column 13 unless pupils over or under age are enrolled in which event the facts should be stated under Remarks.

The aggregates of Columns 32-35, inclusive, must equal the aggregates of Columns 36-43, inclusive.

(b) Be sure not to include any grammar grade pupils, but be governed entirely by High School Standard of Requirements. In this report high schools are to be reported by number of classes actually existing, not by number planned for in course of study or expected in the future. A "First Grade" high school has four grades or classes, a "Second" three, and a "Third" two.

Have you read the foregoing notes carefully? yes

Do the totals and aggregates equal each other as stated? yes

- NOTES—1. Mark name of any colored teacher with a star.
 2. Write name of teacher, principal, or president, so that the sex can be distinguished.
 3. In the fourth column "White or Colored" refers to the pupils. Put W. for white and C. for colored.
 4. In the column headed "Grade" let U. denote university, C. college, H. high school, P. primary school, and S. special school. If special, indicate what kind, whether theological, medical, law, agricultural, polytechnic, military, &c. Special schools will not be put down as such unless they are independent schools—that is unconnected with a college or university.
 5. Do not report any schools with an enrollment of less than TEN pupils.
 6. Indicate whether association or league is white or colored.
 7. Superintendents are expected to make this report complete and accurate.
 8. Do not include in this report any elementary or high school under the control of the local school authorities, but give State as well as private institutions of higher learning.

Have you read the foregoing notes carefully? *yes*
