COUNTY.

ANNUAL REPORT of the Superintendent of Schools for Year ending July 31, 1893.

The Superintendent will answer briefly the following questions :

1st. Date of Annual Meeting of County or City School Board for reviewing the work of 1892-'93.

Ans. August 10th.

2d. Were the accounts of Treasurer laid before the County or City Board at this meeting and duly examined?

Ans. They were carefully examined by the Co. Supt. aided by the Dist. Clerks.

Was their condition satisfactory?

Ans. Entirely so.

3d. Were the Records of the District Boards all laid before the County Board and duly acted on according to law?

Ans. They were examined by the County Supt. and the results were reported to the Co. Bd.

What was their condition as to accuracy and neatness?

Ans. All accurate. Most of them neatly kept.

4th. Were the Accounts of District Boards compared with those of County Treasurer by the County Board, as required by law?

Ans. Yes, - through the Co. Supt. & Dist. Clerks

What was the result?

Ans. They agreed in all respects

5th. Was the annual settlement made with the County Treasurer by the County Board, as required by law?

Ans. It was made through the Co. Supt. and Dist. Clerks, assisted by a Com^r of accounts.

Was this settlement satisfactory?

Ans. Yes, - The work was done very carefully

6th. Report any irregularities which may have been discovered in the proceedings of any Board, or in the acts of any officer, together with such action as was taken by the County Board in regard thereto.

Ans. No irregularities were discovered - The Board was not called upon to adjust any difficulties or to correct any abuses.

7th. Do your District Boards hold regular meetings, and how often?

Ans. They do not. They meet only when business requires attention

8th. State the number of Institutes for white teachers held during the year, and the number of teachers present at each; also, the number of Institutes for colored teachers held during the year, and the number of teachers present at each.

Ans. Five meetings, of one day each, for white teachers and three for colored teachers were held. They were well attended and interesting, but I have no record of the numbers present

9th. Were all of your teachers supplied with the revised edition of the Virginia School Register, and were these registers all returned at the close of the session to the District Clerks, as required by law?

Ans. All were supplied with the Virginia Register. Clerks report them returned

10th. Were the salaries of all of your teachers promptly paid at the close of each school month during the term?

Ans. Yes. Teachers' warrants are excellent commercial paper

EXPLANATIONS.—TABLE No. 1.—[a] In reporting the number of pupils enrolled, the average monthly enrollment, and average daily attendance, the Superintendent must not forget to make due allowance for pupils that attended more than one public school during the school year, so that they may not be counted twice. [b] Found by multiplying the number of white (or colored) pupils enrolled by 100, and dividing the product by the white (or colored) school population. [c] Found by multiplying the average attendance of white (or colored) pupils by 100, and dividing the product by the white (or colored) population. [d] Found by multiplying the average daily attendance of white (or colored) pupils by 100, and dividing the product by the average monthly enrollment of white (or colored) pupils. [e] Found by dividing the total average monthly enrollment by the number of teachers. [f] Found by dividing the sum of the ages of all the pupils by the number of pupils.

TABLE No. 2.—[a] Counting each grade of one teacher in a graded school as one school. [b] Found by dividing the whole number of days during which all the schools continued in session by the whole number of schools. [c] Found by dividing the whole number of months during which all the schools continued in session by the number of schools—here, as before, counting each grade

of one teacher in a graded school as one school. [d] All the teachers and assistant teachers should be reported; where one teacher ceases to teach before the expiration of the term and is succeeded by another, report only one teacher; where a female succeeds a male, or vice versa, or a colored teacher succeeds a white, or vice versa, the sex and color of the teacher reported should be those of the teacher longest employed. [e] Do not report white teachers of colored schools under this head. [f] Found by dividing the whole amount paid and to be paid male teachers for services rendered during the year, by the whole number of months taught by male teachers. Find average monthly salary of females in the same manner.

EXPLANATION.—TABLE No. 6 is intended to show the cost of the system for current expenses only for the year ending July 31, 1893, and should include both what has already been paid and what is still due for the year. [a] On line "To other than Public Funds," report amount paid out, under the respective headings, from Dawson, Glebe, and other funds not raised by taxation, if controlled by the school authorities; if not under the control of the school authorities, do not report them; supplements to teachers' salaries, if regulated or required by District Board, should be included also. [b] Including amount already paid and balance still due for the year ending July 31, 1893. [c] Found by dividing the whole amount paid and to be paid TEACHERS, from all sources, for services rendered during the year, by the number of pupils enrolled, and this quotient by the average number of months the schools were taught. [d] Found by dividing total cost to all sources by number of pupils enrolled, and this quotient by the average number of months the schools were taught.
