

Annual Report of the Division Superintendent of Schools of

Lauderdale FOR THE SCHOOL YEAR CLOSING JUNE 30, 1915

The Superintendent will answer briefly the following questions:

1. Date of Annual Meeting of County or City School Board for reviewing the work of 1914-1915 Aug. 16th

2. Were the accounts of the Treasurer laid before the County or City Board at that meeting and duly examined and settled? yes

3. Was their condition satisfactory? yes

4. Were the records of the District Boards all laid before the County Board, and duly acted on according to law? yes

5. What was their condition as to accuracy and neatness? Good

6. Were the accounts of the District Boards compared with those of County Treasurer by the County Board, as required by law? yes

7. What was the result? OK

8. Were all moneys paid for tuition, as well as private contributions for school buildings and other purposes, and loans, turned over to the Treasurer, and reported by him in his Table No. 4, Columns 3, 4, 5 and 8? No

9. If not, give the said amounts, as follows:

(a) Total amount paid for tuition which did not pass through the Treasurer's hands \$1401.

(b) Total amount of private contributions to school building funds, etc., which did not pass through the Treasurer's hands \$4000.

(c) Total proceeds of appropriations or bond issues which did not pass through the Treasurer's hands \$—

10. Are overdrafts on the Treasurer included in Column 10, Table No. 1 (Form S. No. 8), as directed in Note d. yes

11. Does Column 24, in Table No. 6, show the District School levies and County School levies, distinctly and separately? yes

12. If a City Superintendent, have you made an estimate of the rate of levy required to produce your total revenue, and inserted this rate in Column 24, Table 6? —

13. Have you observed the rule of considering only the warrants actually paid by the Treasurer and not the warrants issued, so as to avoid a double basis of settlement? yes

14. Have you included all pupils studying higher branches in both High School and Grammar Grades in Columns 47 and 48, Table No. 4? yes

15. Have you given a statement of particulars of every school building completed during the year? yes

16. Have you taken pains to give the information required in Table No. 9 fully and accurately? yes

17. Have you given a detailed list of private contributions on this sheet? yes

18. Report any irregularities which may have been discovered in the proceedings of any Board, or in the acts of any official, together with such action as was taken by the County or City Board in regard thereto.
None

19. Were the written statements required by law laid before the Board of Supervisors or Council? yes

20. Do your District Boards or City Boards hold REGULAR meetings, and how often? No

21. How many schools have been discontinued in consequence of consolidation of schools?

White, 1 Colored, — Total, 1

22. If you have read any educational literature or works on education during the year give the names and such particular information as will indicate the extent of your reading.

 Report the expenditures of County School Funds not apportioned among, or belonging solely to, the respective districts, if any, in a line devoted to that purpose and headed "Unapportioned Funds."
 (a) Under the head of Amount Paid Out, report amount actually paid out (not amount of warrants issued) during the year, whether for current or preceding year.
 (b) Under this head report only regular pay of clerks. Do not include cost of stationery, compensation for taking census, etc.
 (c) Under the head of Balances on Hand, report all moneys on hand at end of school year, whether chargeable for expenses incurred up to that time or not.
 The Superintendent must see that the clerk's and treasurer's report tally in all respects with each other and with his own report. The warrants actually paid by the treasurer and not warrants issued, must be taken as the basis in all cases.

I certify that this report is correct.

NOTES:
 (a) The word "Schools" here means Schoolrooms.
 (b) In reporting the number of pupils enrolled, the Superintendent must not forget to make due allowance for pupils who attended more than one public school during the school year, so that they may not be counted twice.
 (c) Do not report fractions in these columns. If the fraction exceeds .5 enter next higher integer. Report here total number of pupils in all schools, elementary, high, day, evening, vocational, special. See special tables for evening and special schools.

NOTES:-(a) The totals in Column 27 should equal the totals in Column 13 unless pupils over or under age are enrolled in which event the facts should be stated under Remarks.

The aggregates of Columns 32-35, inclusive, must equal the aggregates of Columns 36-43, inclusive.

(b) Be sure not to include any grammar grade pupils, but be governed entirely by High School Standard of Requirements. In this report high schools are to be reported by number of classes actually existing, not by number planned for in course of study or expected in the future. A "First Grade" high school has four grades or classes, a "Second" three, and a "Third" two.

Have you read the foregoing notes carefully? yes

Do the totals and aggregates equal each other as stated? yes

TOTALS															

- NOTES—1. Mark name of any colored teacher with a star.
 2. Write name of teacher, principal, or president, so that the sex can be distinguished.
 3. In the fourth column "White or Colored" refers to the pupils. Put W. for white and C. for colored.
 4. In the column headed "Grade" let U. denote university, C. college, H. high School, P. primary school, and S. special school. If special, indicate what kind, whether theological, medical, law, agricultural, polytechnic, military, &c. Special schools will not be put down as such unless they are independent schools—that is unconnected with a college or university.
 5. Do not report any schools with an enrollment of less than TEN pupils.
 6. Indicate whether association or league is white or colored.
 7. Superintendents are expected to make this report complete and accurate.
 8. Do not include in this report any elementary or high school under the control of the local school authorities, but give State as well as private institutions of higher learning.
 Have you read the foregoing notes carefully? *yes*
