REMARKS:

NOTES:—(a) The totals in Column 27 should equal the totals in Column 13 unless pupils over or under age are enrolled in which event state under Remarks the number, race, and sex of pupils over or under age.
The aggregates of Columns 32-35, inclusive, must equal the aggregates of Columns 36-43, inclusive.
(b) Be sure not to include any grammar grade pupils, but be governed entirely by High School Standard of Requirements. In this report high schools are to be reported by number of classes actually existing, not by number planned for in course of study or expected in the future. A "First Grade" high school has four grades or classes, a "Second" three, and a "Third" two.

Have you read the foregoing notes carefully? yes
Do the totals and aggregates equal each other as stated? yes

REMARKS:

NOTES—The totals in column 17 must agree with totals in column 13, Table 4.
 In reporting the number of pupils enrolled, the Superintendent must not forget to make due allowance for pupils who attended more than one public school during the school year, so that they may not be counted twice.
 Ordinarily the totals in columns 1 and 4 should equal total column 4, Table 4; and the totals in columns 2 and 5 should equal total column 5, Table 4.
 The totals in columns 7 and 10 should equal total column 7, Table 4.
 The totals in columns 8 and 11 should equal total column 8, Table 4.
 Any difference in these items as reported in Tables 4 and 8 should be explained under marks.

I certify that this report is correct.

TOTALS											

NOTES—1. Mark name of any colored teacher with a star.
 2. Write name of teacher, principal, or president, so that the sex can be distinguished.
 3. In the fourth column "White or Colored" refers to the pupils. Put W. for white and C. for colored.
 4. In the column headed "Grade" let U. denote university, C. college, H. high school, P. primary school, and S. special school. If special, indicate what kind, whether theological, medical, law, agricultural, polytechnic, military, &c. Special schools will not be put down as such unless they are independent schools—that is, unconnected with a college or university.
 5. Do not report any schools with an enrollment of less than TEN pupils.
 6. Indicate whether association or league is white or colored.
 7. Superintendents are expected to make this report complete and accurate.
 8. Do not include in this report any elementary or high school under the control of the local school authorities, but give State as well as private institutions of higher learning.
