[d] All the teachers and assistant teachers should be reported; where one teacher ceases to teach before the expiration of the term and is succeeded by another, report only one teacher; where a female succeeds a male, or vice versa, or a colored teacher succeeds a white, or vice versa, the sex and color of the teacher reported should be those of the teacher longest employed. [e] Do not report white teachers of colored schools under this head. [f] Found by dividing the whole amount paid and to be paid male teachers for services rendered during the year, by the whole number of months taught by male teachers. Find average monthly salary of females in the same manner.
