GENERAL DIRECTIONS.

1. Mark name of any colored teacher with an asterisk.
2. Write name of teacher, principal, or president, so that the sex can be distinguished.
3. In the fourth column, "White or Colored" refers to the pupils; put W for white and C for colored.
4. In the column headed "Grade," let C denote college; H, high school; P, primary school, and S, special school. If special, mention on the back of the form what kind—whether theological, medical, law, agricultural, polytechnic, &c. Special schools will not be put down as such unless they are independent schools—that is, unconnected with a college or university.
5. Where the teacher is appointed by a board of trustees, the school may be considered as incorporated, otherwise as private.
6. Let I denote incorporated, and P, private, in column 6.
7. Do not report any school with an enrollment of less than ten pupils.
