I do solemnly swear (or affirm) that the facts set forth in the above Summaries of census returns are just and true, to the best of my knowledge and belief, and that they were collected in strict accordance with law and the instructions given by the Department of Public Instruction.

August 14th, 1905.

J. R. Hutchinson, District Clerk.

Sworn to and subscribed before me, this day of, 1905.

Superintendent of Schools, County.

COMMONWEALTH OF VIRGINIA,

DEPARTMENT OF PUBLIC INSTRUCTION,

SUPERINTENDENT'S OFFICE,

RICHMOND, MAY, 1905.

To Clerks of District School Boards.

THE LAW provides:

1st, That the clerk of each district school board, during the month of June or July, 1905, and every five years thereafter, shall in proper person or by deputies approved by the Division Superintendent of schools take a census of all persons between the ages of seven and twenty years residing within the school district, and gather statistics relating to the interests of education in said district, according to the forms furnished by the Superintendent of Public Instruction.

2d, That the district clerk shall, at the same time, also take a separate census of the deaf and the blind persons between said ages residing within the school district, giving the sex, age, and residence of each, and return a copy thereof to the Division Superintendent. For this service he shall receive a similar compensation to that allowed for listing other children, and out of the same fund.

3d, That the lists thus prepared shall be submitted for careful revision to the district school board, as soon as may be after their completion.

4th, That, when so revised, the lists shall be submitted, along with the other papers of the district, to the county board at its annual meeting, and immediately thereafter delivered to the Division Superintendent.

5th, That for said service the clerk or his deputy shall receive compensation out of the district school fund at the rate of three dollars per hundred of the children listed by him, subject to abatement, on the discovery, before or after settlement of the account, of errors or omissions in the list, or to a fine, by the district board.

6th, That the district clerk shall, in proper person, or by deputies approved by the Division Superintendent of Schools, take the census of the school population; and that the Division Superintendent of Schools shall exercise special care in securing a prompt and accurate discharge of this duty.

In carrying out the law printed above, please observe the following

INSTRUCTIONS:

(a) The *white pages* are for listing *white children*; *yellow pages* for listing *colored children*. Should the book be insufficient, apply to your Division Superintendent for another.

(b) Be careful to list *all residents* of the district between the ages of seven and twenty years, including those absent at school, or otherwise temporarily absent; but do not list non-residents who may be visiting or attending school in the district at the time the census is taken.

(c) Report under *every heading* of the blanks, and write (*in ink*) all names, &c., neatly and distinctly.

(d) In column headed "Age," enter age of child at last birthday. Use the figure 1 in filling columns headed, respectively, "Males," "Females," "Unable to Read and Write," "Attending Private Schools." In last column, let "D" indicate the deaf, "B" the blind.

(e) Under heading "Attending Private Schools" be careful *not* to include any children in attendance upon *public* schools during the current school year.

(f) As soon as the census is completed, prepare the "Summaries" provided for on the other side of this page. *Special care should be exercised in making these summaries.*

(g) The Division Superintendent will furnish you an extra copy of Form B—No. 19—for preparing a duplicate of the summaries contained in this book. (Retain a copy of the *summaries*, and file it with the official papers of the district.)

(h) The Division Superintendent will furnish you an extra copy of Form B—No. 20—for preparing a duplicate of the census of the deaf and the blind between the ages of seven and twenty years. File the duplicate with the official papers of the district.

(i) Submit the census returns, with summaries, to the district board "for careful revision," immediately after the work is done. Then lay the returns and the summaries before the County Board at the annual meeting, August 1-15. At this meeting, after the County Board shall have passed upon your work, take and subscribe the oath before the Division Superintendent, and deliver to him the census returns.

Clerks will please bear in mind the fact that Superintendents are not authorized to receive incomplete or inaccurate returns; and, furthermore, all affairs of the census must be settled finally at the annual meeting of the County Board, to be held not later than August 15th, 1905.

JOS. W. SOUTHWALL,

Superintendent.

See the Law and Instructions on back of this Form.

DISTRICT CLERK'S SUMMARY OF SCHOOL CENSUS RETURNS, 1905.

CENSUS OF PERSONS between the ages of 7 and 20 years in Broad Run School District, Loudoun County, Virginia.
