

Mr. Emerick,

I am leaving the rough draft of the resolution adopted by the citizens. (as it was taken hurriedly.)

I called Mr. Wauzer and he said that he would appreciate it very much if you made the negotiations concerning the Court Order i.e. securing it and taking other necessary steps.

The County-wide League will pay the necessary expenses of said transactions.

I'll come by this afternoon and find out if anything else needs to be done that I can do.

J. Alexander
