Mr. O.L. Emerick, Superintendent of Schools of Loudoun County
Leesburg, Virginia

Gentlemen:

We enclose herewith a petition of the Negro teachers, principals and supervisors of Loudoun County, Virginia, requesting that you establish and enforce without regard to race or color a single salary schedule for the teachers, principals and supervisors employed in the Loudoun County School System and that you take immediate steps to equalize the salaries of white and Negro teachers, principals and supervisors, having equal qualifications and experience, and performing essentially the same duties and service.

We respectfully request that you grant us a hearing on this matter at which hearing it is our desire to be represented by counsel. At your earliest convenience kindly advise us as to the time that you will hear us.

Yours respectfully,
