Trans. routes

Mr. Ray O. Stewart
Purcellville
Virginia

Dear Mr. Stewart:

The School Board has authorized a change in your bus route so that you will follow Route 725 as you approach Lincoln and turn right on 722 instead of the more direct road you are now using.

This is intended for you to pick up several children at the intersection of 722 and 725.

Very sincerely yours,

O. L. Emerick
Division Superintendent
