Mr. Leroy Allen
Clifton
Virginia

Dear Mr. Allen:

You will please change your route and go over 639 past Mr. Phil Sowers' old place beginning on Monday the 2nd of February.

This is the road that I talked to you about going over and told you that I would let you know later.

You are expected to turn to the right on 608 and go to Willard and follow your usual route. You can use your own judgment about the manner in which you deliver the children in the afternoon.

Very sincerely yours,

O. L. Emerick
Division Superintendent
