To. The ~~School~~ Board
of Laramie Co. Wyo.

We the Parents of The Conklin
School do hereby make a
complaint of our Teacher
The children are not learning
any thing. Some times it is
two or three days before they
have a lesson. She keeps her
circle in the school room
and the school governor
there are several pupils are
not attending the school
as that account

Some of the pupils she has
skip. Some of the grades
and promote them to a
higher grade so we would
like to have a new teacher
done by the circle of the
school. Parents.
