Mr. O. L. Emerick,  
Superintendent of Schools,  
Loudoun County,  
Lessburg, Virginia.

Dear Mr. Emerick:

I have received your correspondence as of Feb. 9, 1945 thanking me for the names of the official committee. However, my organization and I anticipated not only a recognition of the names of the official committee but also the date and hour of our meeting to transact the required purchase of lot.

Inasmuch as you have failed in the latter, my organization and I will appreciate your specifying the date and hour of such a meeting and subsequently informing me of the date and hour at the earliest possible time. This is imperative so that I might have sufficient time to notify all members of the committee.

Thanks in advance for this courtesy.

Sincerely yours,

PARENT-TEACHER ASSOCIATION AND COMMUNITY LEAGUE
