To The Loudoun County School Board  
We the undersigned beg leave to say  
the school in St Louis is over crowded  
with seventy one (71) scholars enrolled  
& there is a large attendance at all  
times, and conditions are not sanitary  
with three scholars at each desk.

We are asking if the school board  
will give us an extra room and primary  
teacher for the next school term.

If you consider this kindly  
write back on what terms we can get  
one. We are willing to do all we  
can to help in this matter as we  
feel it is absolutely necessary.

We are herewith enclosing the  
Teacher's report and we are sure you  
will see that it is absolutely necessary
