Mr. John C. Walker, President
Loudoun County Teacher's Association
Leesburg, Virginia

My dear Mr. Walker:

I have the petition asking for a supervisor of colored schools. This has not been included in the budget but it might be possible to take care of it a little later. I have included \$800 (eight hundred dollars) for transportation of colored children in our school budget and hope this will work out alright.

Very sincerely yours

Division Superintendent
