

little schools and have it at Purcellville, how does he expect my children and the North Fork children to get to school. The Quakers should keep it there because they know what education means and they had the school house built there. If we had a school in Purcellville, it would take 20 years to get the bootleggers out of Purcellville, selling it around after moving pictures. If you get drunk and drive a fliver, pay Joe Nichols \$15 and you are free.

Twenty-four children out our way go to Lincoln to school.

MABEL TAYLOR FOR LINCOLN:

J. W. NICHOLS IN REBUTTAL:

We take an interest in the public school. It seems to me it would be very unfortunate to take advantage of the misfortune of others. I do not believe those will prosper who take advantage of the ~~unfortunate~~ misfortune of other people. If I have to rise by putting the other fellow down, I believe it will do me no good. * * *

Lincoln has done a most commendable part in behalf of her high school. Purcellville is an untried problem, but it does seem it would be unfair to take advantage of the misfortune of other people.

W. T. SMITH:

I have been representing Mt. Gilead for some six or eight years and the county school board for two or three years. They are duties that are unpleasant.

I grew up a mile and a half from Lincoln, 1½ miles from the high school and I have no desire to hide from this community my feelings in the matter. I have touched elbows with the fellows
