

6.

17 yrs. ago thru the efforts of the people of C. the H. S. was built and Oh. has freely <sup>donated</sup> decided to the

Dis - Is all this to be counted as naught?

During the past 17 yrs. much equip. & many improvements has been added - still at no cost to the Dis -

Our Community Leag - has expended not only dollars - but 100% of \$ for the upkeep of the H. S. -

Our League has ~~not~~ <sup>yet</sup> there, asked \$ one cent for membership dues -

5)

Then why not give L. what L. can do - and it has proven it can run a school. :-

Let Pville keep its business interests

About 40 yrs. ago the people in the neighborhood <sup>of L.</sup> erected the bldg.

bldg. now used as a graded school. <sup>1/2 of the cost being paid by the town. The other 1/2 by the Dis.</sup>  
- This was the first public school

in this part of the Co. where a student could obtain a higher education.

About 14 yrs. ago - This <sup>same</sup> bldg. was thoroughly renovated - the entire interior changed - at no cost to the Dis -
