

of Mt. G. Dis - ~~to~~ and it is not built in L - which is nearer the center of the Dis. Is it not the truth, the H. <sup>State</sup> of Water - Hills - & R. Hill are to be close -

Now there, <sup>what</sup> a question in my mind, whether it is going to be any easier for the chin of R. H to come to P. - than it is for the chin of P. to come to Lincoln.

I have heard - if the bldg. is erected in P. the cost of

9) and S. M. sections of Mt. G. have no H. S. what as ever - and if the school is removed from L - it will simply mean - the education of the more needy chin. of the outlying sections of the dis - will cease with the Graded schools -

It seems to me, we must consider not only one section of the D. - but the entire D. -

Is it not the truth - if the school is built in Pille which is simply on the edge
