

The Lincoln-Purcellville Dispute of 1926

Notes by Larry Roeder, 2/8/2019

Enclosed is study we did in 2016. Since then we have learned more about the dispute and make edits, accordingly. In addition, we renumbered the original documents, so those citations will also change.

Comments are welcome

Larry,
I read your paper on the Lincoln-Purcellville dispute—very interesting! If you would like some comments/suggestions for consideration, please send me a Word version and I'll run through it again.

Hmmm. Helen Cooke is 90+ years old and has lived in Lincoln forever. She was also the Lincoln cafeteria manager for over 50 years. I'm sorry I don't have her phone number. She lives on Lincoln road, next door to the Lincoln school. She may know!

I'd like to thank all of you for your advice over the years. Are any of you expert on the discussions which took place in 1926 when Purcellville and Lincoln debated where replacement for the burned down High School in Lincoln would be?
