Gentlemen:

We wish to submit a bid on the following International school bus chassis, Model R-183, 226 WB, to meet National and Virginia school bus code of regulations.

The unit will be equipped with the following attachments:

8.25x20 10-ply tires, deluxe oil filter, 30-gallon side mounted gas tank, vacuum reserve tank with guage, propeller shaft brake shield, propeller shaft guard, increased capacity brakes, 282 cubic inch engine.

Price per unit \$2563.20

Total price for three units. \$7,689.60

The above price is less the federal excise tax and is FOB Fort Wayne.

Transportation rates are as follows:

From Fort Wayne, Indiana, to Conway Arkansas:
Single Rate. \$156.99
Paired Rate. 103.84

Fort Wayne to Richmond, Indiana:
Single Rate. \$ 65.00
Paired Rate. 35.00

Fort Wayne to Wilson, North Carolina:
Single Rate. \$153.52
Paired Rate. \$100.37

Fort Wayne to High Point, North Carolina:
Single Rate. \$131.24
Paired Rate. 88.84

Gentlemen:

We propose to deliver to the County School Board of Loudoun County a 1953 Ford B-700 233" w/b chassis, suitable for mounting a 60 passenger School Bus Body, which will meet all specifications of Virginia State Board of Education, equipped with 8.25-20 10 ply tires front and rear, to any of the places you desire for \$2295.00 plus freight as follows:

Conway, Ark. -- \$129.00
Richmond, Ind. -- \$46.00
High Point, N.C. -- \$107.00
Wilson, N.C. -- \$106.00

The Federal Excise Tax portion of the above price would be \$131.00.

We hope to receive this order from you and have every reason to believe we could make prompt delivery of this chassis to the body works for you.

Very truly yours,

Purcellville Motor Co.

Gentlemen:

The writer has been reviewing our recent correspondence with you relative to our present model School Bus Bodies.

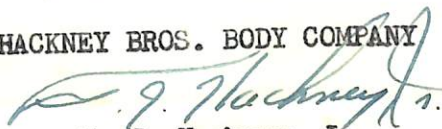

We were wondering if we could supply additional information at this time relative to our bus bodies.

Won't you please let us hear further from you?

With best wishes, I am

Very truly yours,
