Mr. Wilbur C. Hall
Leesburg, Virginia

Dear Mr. Hall:

If you will read section 3487 (7) of the code, you will note the provision for control of the expenses of sheriff by the County Board of Supervisors is under the County Executive Plan of Government.

I presume the sheriff will continue to appoint as many full-time or part-time deputies as were allowed by the County Board of Supervisors.

Very sincerely yours,

O. L. Emerick

Division Superintendent
