

file 1928

Wednesday, May second was a gala day for the pupils in the one and two-room schools of Broad Run District. This day marked the culmination of the health and physical education activities of these schools for the year when the children, teachers, parents and friends met at Mt. Hope school. Here the children participated in a track and field meet interspersed with other features.

The program for the day and the preliminary work by the schools had been carefully planned by the teachers under the capable leadership and direction of Miss Hannah Turman, supervisor of rural schools. The athletic events were in conformity with the rules furnished by the Extension Division of the University of Virginia.

In the athletic contests the pupils competed against a standard rather than against each other.

A list of the events and the pupils who attained the standards follows:

Girls Events

50-yard dash (Standard 7 3/5 seconds)

Hazel Poland	Mattie Marcum	Virginia Prints

Mary Alice Turman	Virginia Printz	Oswald Downs,
Albert Benson	Harold Stickman	James Munday

Silver -

Helen Hodge	Hazel Poland	Oswald Downs
-------------	--------------	--------------

Gold-

Helen Hodge

A special feature of the day was a Health Play presented by the pupils of Carter's School.

Each school represented joined in a parade and health float contest which proved one of the most interesting events of the day's festivities. The floats were mounted on express wagons and were pulled by the children. Each taught a lesson in health. The judges awarded first honors to Arcola school which receives a prize donated by Miss Anne Gulley.

Miss Rose Dolan presented five point certificates to 103 children.

The Virginia flag was presented to Carter's school for the highest percentage of five-point children in the one and two-room schools of Broad Run District.

The Sycoline school of Leesburg District likewise won a Virginia Flag for highest percentage of five-point children in that district.
