Mr. C. C. Graves
Superintendent of Schools
Page County
Luray, Virginia

Dear Mr. Graves:

I am sending you a clipping from the December 6 issue of one of our papers, carrying the second article in a series that we are having published in all three of our county papers.

I shall send you a copy of the other articles. The first one did not particularly tie in with the series, but had to do with the present status of our Literary Loan Application.

Very sincerely yours,

O. L. Emerick
Division Superintendent
