Members of the School Board
Gentlemen;

I would like to express my appreciation to each of you for deciding to continue the visiting teacher program in Loudoun County and also for the reappointment and raise in salary.

The visiting teacher program has, and is growing by leaps and bounds, so I feel that Loudoun being a progressive county and one that is quoted a great deal in meetings could hardly afford to be without a visiting teacher program.

With appreciation,

Yours sincerely,

Alice L. Cady

Dear Mrs. Cady:

Please note the enclosed letter from Miss Peebles. I should have it back.

Will you please talk to Dr. Souder and ascertain his reaction to having the \$600 appropriated to the health department transferred to the school board, so that we would be in a position to match state funds with that sum.

Very sincerely yours,

Dear Mrs. Cady:

Please return to me the letter from Miss Peebles as I have need for it now.

I have talked to Dr. Souder about the disposition of the proposal made by the Board of Supervisors for the speech and hearing work and he is agreeable to have these funds placed through the school account as this seems necessary in order to get state aid.

I should like to know how much money we got from the Crippled Children's Society last year if you can tell me this. I recall that you said this had been paid directly to Mr. Andrews.

Very sincerely yours,

O. L. Emerick
Division Superintendent
