## Petitions of 1922

### **1922** Petition about schooling at Brownsville

Apparently in 1922 there was a discussion of moving schooling at Brownville to the Odd-Fellows Hall in Hamilton. This resulted in two competing petitions, one on Dec 22, 1922 from parents wanting schooling continue at Brownsville and one on Dec 6, 1922 calling for a school at the Odd-Fellows Hall in Hamilton.
