Mr Emeric,

Dear Sir

I am sending you some names
of the patrons of the Sterling
School who are dissatisfied with
Mrs Milcher Rawlings we
are asking you to not put
her back for another term
as we cannot put our children
back in school here &
work hard to send my children
to school, & I would like to
have a good teacher here
which would help them
with their work. I will have
to ask you myself if you dont
make a chance if you will
send me permission to send
my 2 children to Ashburn
on the bus as I wont
my children to have a
Education which I am
trying as hard to give
them I am hoping to
hear from you

real soon telling me
if it will be all right
for me to put my children
on the bus & send them
to Ashburn School
as we dont want to put them
back here as they did not
do any thing here in school
this past term unless you
will put another teacher here

let me hear from
you at once

your truly
Mr J. R. Alder,

My dear Mr. Alder:

I have your letter about Mrs. Rawlings work as a teacher at Sterling. It is too late for us to do anything about this now and since our school bus is already overloaded we could not consent to have your children taken to Ashburn. I am sorry I can do nothing about your complaint or request.

Very sincerely yours,

Division Superintendent.
