Teachers in the public white schools of Loudoun County are to be appointed by the school board on Tuesday, April fourteenth.

It is entirely proper for any individual to express his views about any teacher either to a member of the school board or to the superintendent or to address the board itself in writing or in person on the fourteenth by attending the meeting.

Petitions of general circulation will not be considered in relation to the appointment of any teacher.

O. L. Emerick,

Division Superintendent.
