Petitioners

Taylorstown Va

Jan. 7 - 1926.

To O. L. Emmerich Supt. and members of
Public School Board -

We the undersigned, being
patrons of Taylorstown Public School and
Tax payers, do hereby petition the re-
moval of the teacher now employed
at the above school, viz. Miss Poppertinger.
This is no reflection on her name, personally
or otherwise, but because she simply can
not govern or control the scholars.

The children have been allowed to do
as they please, destroying school property
inside and out. A committee will deliver
this petition and explain further -
Signed.
