Mr O. L. Emrick

Amelville, Va.

Dear Sir:-

As it is im-

possible for us to attend  
the school meeting in  
Leetsburg Mch 18<sup>th</sup>, we are  
writing in behalf of Popson  
School, to ask that you  
will, at least, give us one  
half day of school at  
the Yellow School House,  
this coming session.

This little school  
is doing good work  
under the splendid  
tutelage of Miss Magelun,  
and it certainly seems  
a great mistake to have  
the doors closed against  
these little children and

had them into a bus  
where they learn all  
kind of badness and  
vulgar talk, which  
more than offsets  
the good they learn,  
in the school to which  
they are conveyed.

Beside, the bus will  
cost more to run, than  
it will to pay a teacher,  
so we cannot see  
where there's any gain  
in that.

Please give this  
question your most serious  
consideration and let us  
have our half day of school  
at Payson. Also I'd appreciate  
your sending us Miss Mc-  
Ghee in another time,  
who is doing such good  
work & whom the children  
love. These I believe are the  
sentiments of all the Parents of

Cayson School.
