After a few
hours, consideration
of your suggestion
of the A. S. I. I feel
like the regular method
(what ever that is) is
the best for locating
a high school. In
the field of Dist.

When the lawyers de-
termine what is legal
let the law fabricate
course. This is my
opinion at present,
but I will abide by
the good government of you

Dear Sir: —
After a few
hours, consideration
of your suggestion
other as far as I feel
like the regular method
(what ever that is) is
the best for locating
a high school in
the field of Dist.

When the lawyers de-
termine what is legal
let the law - take its
course. This is my
opinion at present, I
but I will abide by
the judgment of you

Board as to its further
course.

As ever
Mr. T. Smith.
